LETTER OF CERTIFICATION AND RATINGS

To Whom It May Concern:

This letter is to confirm that all standard rigging equipment used by **Action Safety** is rated and/or certified. With Regards to the specialized systems, developed by **Action Safety**, all components of the systems are tested (**Action Safety** hold all original certificates) or used with 1:10 safety factor of the weakest component.

All certification for standard rigging items are filed and held at the **Action Safety** premises #6 Lever Road, Walmer Estate, Cape Town.

With regards to the specialized rigging systems used and developed by **Action Safety**, no official rigging certificate or qualification exists, both **Charles Standing** and **Ian Manson** of **Action Safety** have over 20 years of rigging coordination experience and have passed **SAIRA** (Industrial Rope Access) level 3 (supervisor) assessments amongst other rigging related qualifications.

For **Action Safety's** complete work record and member Curriculum Vitae please visit our website at www.actionsafety.co.za

Yours sincerely

Charles Standing and Ian Manson.
